UCONNECT® INTEGRATION

Getac Enterprise Integrates with
Police-exclusive Uconnect®

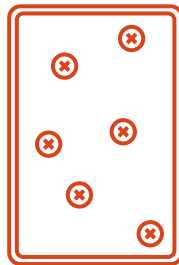

The Getac Video Solutions in-car system and Uconnect® 12.1 touchscreen system is exclusively designed to provide a decluttered and safer in-car experience for officers.

Pairing with Uconnect® provides complete integration to the Dodge Charger Pursuit's mobile command capabilities and provides an advanced, in-car display with a multi-touch interface complemented by user control buttons designed for simple, frequent and rapid use.
